...which ones did we forget? Let us know! We are regularly updating the online version of the list :)

We started this list because we wanted to highlight queer life and resistance today in territories that live the consequences of German colonization, but quickly expanded to include collectives from other places from the global majority. This list by no means is exhaustive and we hope to expand it in the future. Please let us know of collectives you think we should add and also, please let us know if you want to flag any of the groups or people listed here for problematic politics. We did our best but we are sure we didn't capture everything and might not align with some of these groups' politics on specific issues. Big thanks to Casa Kuà for their list and to all our friends who contributed with recommendations!

Here you can find links to all the listed organisations/activists, as well as additional accounts that have been recommended to us since:

...wen haben wir vergessen? Sagt Bescheid! Wir aktualisieren die online-Version der Liste regelmäßig :)

Wir haben diese Liste angefangen um queeres Leben und Widerstand in Gebieten, die von Deutschen kolonisiert wurden, zu zeigen. Aber wir haben sie auf andere ehemals kolonisierte Gebiete erweitert. Diese Liste ist keineswegs vollständig und sie soll weiter wachsen - bitte sagt uns, welche Kollektive du denkst dass wir hinzufügen sollten. Bitte sag auch Bescheid, wenn dir hier aufgeführten Gruppen oder Personen wegen problematischer Inhalte auffallen. Wir haben unser Bestes gegeben, aber bestimmt haben wir nicht alles gecheckt und stimmen nicht in allen Positionen mit diesen Gruppen überein. Vielen Dank an Casa Kuà für deren Liste und an alle unsere Freund*innen für ihre Empfehlungen!

Hier findet ihr Links zu den gelisteten Kollektiven/ Personen und noch weiteren Accounts, die uns seitdem zugeschickt wurden:
